A number of members of the Aero Club of St. Louis and visiting aeronauts were present when the ascent was made at 4:10 p. m. The balkoon rose gracefully and suddenly veered as a sharp wind struck it, colliding with the timbers that supported a high coal pile in the gas plant yard. The basket scraped a moment threateningly, but prompt work by the aeronauts in throwing out some sand ballast caused the balloon to shake itself free from the coal pile undamaged and shoot straight up several hundred feet. Record Run-Helen Beaten by Her Father.

The eliminations in the second round for the Cullen Hotel stakes at the fair grounds' coursing meeting yesterday saw some of the best racing that has taken place since the opening of the tournament, but they played a gritty uphill game. Walker's men showed wonderful improvement in form and for the first time in its history the A. C. now has a real football machine in sight. Walker had given his men some new plays during the week, and they went for big gains today. Brossard, Frew, Parkinson and Bennion seldom took the ball for a forward pass, but fumbled it, and before he recovered! twas tackled and dropped the ball. Hogan got it with a clear field, and ran fifty-three yards for a touchall machine he first time of the same head to kick. Frew soil.

All Hallows kicked Father Outruns Daughter. Helen, the clean-limbed dog belonging suited in the touchdown for All Hallows. Hogan goaled. There was considerable interest in this race and the local crowd was with Helen. Northern Light got away fast with his daughter on his heels, and the Butte dog scored several points before Helen got into the game. Then the local dog began to show the stronger staying qualities, and at a time when she was making two points to her father's one, Helen picked the rabbit up clean and beat herself by ending the race. Duknow, owned by H. R. Elliott, was another favorite local dog who was only beaten after one of the closest races of the week by Ring Lady of Fairbault, Minn. It was nip and tuck from the moment the dogs left the leash until the kill occurred. Tennis Balls, the favorite. Salt Lake kicked, but were unable to hold off, and in three and a half minutes the Aggies had the ball over for a touchdown. A twenty-five-yard run by Frew figured in the play. After the next kick-off the Aggies were twice penalized, when Brossard made forty and Parkinson thirty Denver dog, and Ten Spot, the Salt Lake entry for the Waterloo, also made a great race, but the luck was all with the Denver dog and he won a gruelling race by a score of 10 to 8.

Well - known Fighter and Wrestler Picked Up in Denver on Chicago Deal.

Denver, Oct. 19 .- John Wille, the heavyweight pugilist from Chicago, who has been in the city for some time, was taken into custody last night by the city police department at the instance of the Chicago police department. The big fellow is wanted in Chicago, and will be taken there at once.

The charge against Wille, in legal parance, is larceny as bailee, leged that he skipped out with \$2,000 that was left in his hands as trustee.

Wille was what, in pugilistic circles, is known as a trial horse. He never gained any great prominence in the river has any great prominence in the ring, but was good enough to defeat many with great ambitions and little ability.

Perhaps John Wille is better known in Salt Lake than any place else in the country, unless it is Ogden. At Ogden Louis Saville knows him better than any one else. Wille is considerable of a fighter and wrestler, notwithstanding the dispatch from Denver which says he was only a trial horse. In the opinion of many Wille is the best man in the business today, barring Jack Johnson. While it is true he has been defeated many times, this is attributed to the alleged fact that Wille would rather fake than light mathematical transfer or the state of will start the first game of the season to be played on Murray grounds.

Experience had taught Mr. Freeman wisdom, and it was with much secrecy that the wedding party made their way to the church early yesterday morning. No one was informed of the intention, and only about ten people saw Mr. Freeman enter the church at the corner of Abbey street.
